

Certificate of REACH compliance

All products manufactured by Hydra a.s. comply with Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18.12.2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), either by pre-registration or substance exemption, as defined by the Regulation and/or the European Chemicals Agency (ECHA).

It means that with regard to the requirements of Article 33(1) of REACH, all supplied products do not contain any Substances of Very High Concern (SVHC) in the *Candidate List* <http://echa.europa.eu/candidate-list-table> published in accordance with Article 59(10) of the REACH Regulation, last update on 04/02/2026 (added 2 substances), a total of 253 substances, and do not contain any substances above 0.1 % (w/w) per product listed in the current edition of Annex XIV of the REACH Regulation (*Authorisation List*).

With regards to the requirements of Article 74 of REACH furthermore, we declare that we comply with the restrictions on the use of substances listed in Annex XVII (*Restrictions List*), last updated on 28/07/2025, and our products do not contain the currently listed substances (total 77) above the presently valid concentration limits.
